# What is Migrant Education?

- According the Lincoln County Public Schools Migrant Education is a federal entitlement program designed to provide supplementary education and human resources services to highly mobile children up to and through age twenty-one (21).
- Children who are eligible for the program.
- Eligible children may remain eligible for up to 36 months.
- The mission of the migrant program is to provide educational and human resource service opportunities that strengthen and enhance the development of the migrant child and the migrant family.

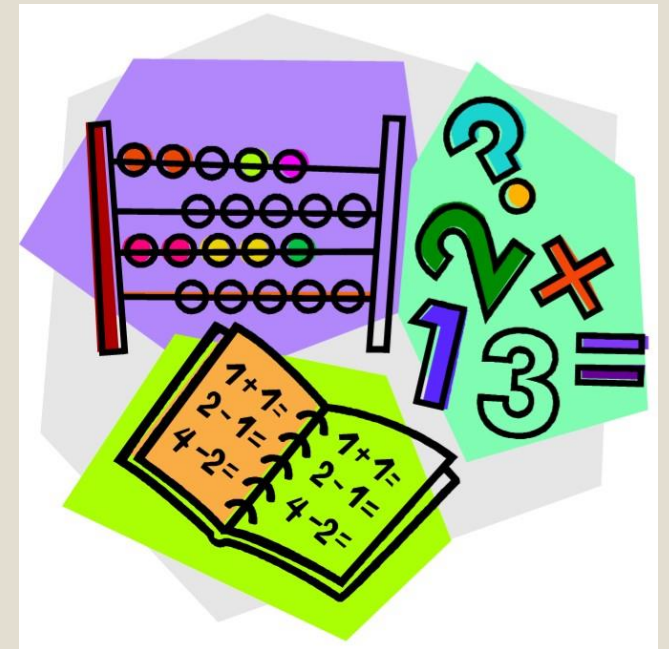

# Migrant Education

- The migrant program focuses primarily on the educational needs of the migrant child and attempts to alleviate barriers to successful educational achievement.
- We partner with the school district
- Bring kids preschool – high school to the library.
- Some kids have never been to the library before.
- Work with kids on STEM programming.
- Great time to build relationships with kids and teens.
- Offer library card applications.

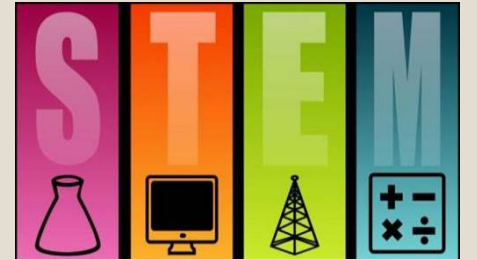

# What are 21st Century Community Learning Centers?

- According to the US Department of Education 21<sup>st</sup> Century Community Learning Centers provide academic enrichment opportunities during non-school hours.
- Particularly to students who attend high-poverty and low-performing schools.
- Each school applies for their own federal grant.
- Program focuses on core academic subjects.

# 21<sup>st</sup> Century Community Learning Centers

- We partner with 21<sup>st</sup> CCLC programs all year and in the summer.
- Our district currently has five 21<sup>st</sup> Century programs.
- Focus on STEM programming.
- Reaching out to students who wouldn't normally be able to come to the library.
- Unique opportunity to integrate our summer reading program into the 21<sup>st</sup> Century Program at the middle school.
